Excursions, Incursions and Extra-Curricular Activities Policy

Purpose

Under the Education and Care Services National Regulations the approved provider must ensure policies and procedures are in place for managing excursions (Reg. 168) and take reasonable steps to ensure policies and procedures are followed.

Excursions/incursions/extra-curricular activities enhance children's learning by providing them the opportunity to participate in curriculum planned activities and experiences to extend on their skills and knowledge in the current interest topic. Our OSHC Service recognises that excursions provide opportunities for children to explore the wider community as a group and extend on the educational program provided.

To ensure that all excursions and incursions undertaken by the Outside School Hours Care Service are planned and conducted in a safe manner, maintaining children's health, safety and wellbeing at all times in accordance with Education and Care National Regulations. We believe excursions/incursions provide the children with the opportunity to expand and enhance their skills and knowledge gaining insight into their local and the wider community. We are committed to complying with all relevant regulations to support the planning, authorisation, supervision and risk management of all excursions and incursions. This includes ensuring the safe use of digital technologies and online environments during excursions and incursions, in line with our policies to protect children's privacy, safety and wellbeing.

Scope

This policy applies to children, families, educators, staff, management, approved provider, nominated supervisor, students, volunteers and visitors of the OSHC Service.

Implementation

Excursions and incursions will be conducted with the children's safety and wellbeing in mind at all times. We may regularly schedule incursions and visitors to our OSHC Service however, if we feel an excursion will benefit the children and offer a valuable experience, we will adhere to the National Regulations and Service policies and procedures to plan and manage an experience that is enjoyable for children. This policy relates to excursions that may be a 'regular outing' or a one-off excursion for a particular purpose and incursions, where visiting performers, groups or community services may visit our OSHC Service.

Children who are enrolled in our OSHC Service may participate in extra-curricular activities that are organised separately from our OSHC. Our OSHC will support children to participate in extra-curricular activities located within school grounds.

Definitions

Excursion: means an outing organised by an education and care service or family day care educator but does not include an outing organised by an education and care service provided on a school site if-

- (a) a child or children leave the education and care service premises in the company of an educator and
- (b) the child or children do not leave the school site.

Extra-Curricular Activities: means an activity organised separately from the OSHC Service that children may attend during OSHC operating hours. Examples include music lessons, dance class, choir lessons.

Regular outing: in relation to an education and care service, means a walk, drive or trip to and from a destination

- (a) that the service visits regularly as part of its educational program; and
- (b) where the circumstances relevant to the risk assessment are *substantially* the same on each.

This could include a visit from the Rural Fire Service, an Aboriginal Cultural awareness group, science or reptile show or a musical or drama performance. Some incursions may be offered free of charge whilst others may incur a small participation cost.

Considerations for Excursions and Incursions

The purpose of the excursion should be clearly identified by staff providing information on how the excursion or incursion supports the educational program and contributes to the outcomes for children.

Excursions/incursions should be planned in advance and consideration given to the:

- time away from the OSHC service
- availability of toilet and washing facilities
- access to safe drinking water
- adequate health and hygiene practices
- possible risk to children (identified in risk assessment)
- accessibility for all children
- transportation
- cost

- weather- wet weather arrangements
- teaching children safety procedures and responsibilities whilst on an excursion
- communication with parents and families
- Risk Assessment documentation provided by the excursion venue
- safety and wellbeing of children whilst at the OSHC service whilst participating in an incursion (identified in risk assessment)
- communication between educators participating in the excursion and the Service

- transitions between areas of the venue
- water hazards.

Excursion/Incursion Risk Assessment

The approved provider or nominated supervisor must conduct a risk assessment which reflects

Reg. 101 before an authorisation is scheduled under Reg. 102 to determine the safety and appropriateness of the excursion/incursion. If the excursion involves transporting children, the risk assessment must adhere to **all** components of regulations 101, 102, 102B, 102C.

The risk assessment must:

- identify and assess possible risks that the excursion/incursion may pose to the health, safety and wellbeing of any child being taken on the excursion or participating in the incursion
- specify how the identified risks will be managed and minimised
- ensure Working with Children Checks are conducted for all adults visiting the Service on incursions
- ensure the visiting group/performance is covered by insurance
- consider the proposed route and destination for the excursion and
- identify any water hazards
- reflect on any risks associated with water-based activities
- consider the transport to and from the proposed destination for the excursion
- consider the duration of the transportation
- consider any requirements for seatbelts or safety restraints under law for SA jurisdiction
- the process for entering and exiting the education and care service premises and the pick-up location or destination (as required)
- procedures for embarking and disembarking the means of transport, including how each child is to be accounted for on embarking and disembarking
- consider the ratio of adults to children involved in the excursion

- consider the risks posed by the excursion/incursion, the number of educators or other responsible adults required to provide supervision, and whether any adults with specialised skills are required to ensure children's safety (e.g.: lifesaving skills)
- consider the planned activities
- determine the duration of the excursion
- consider items that should be taken on the excursion (mobile phone, emergency contacts, first aid kit, medical plans, etc.).
- consider strategies to ensure supervision is consistent at all times during the excursion- transitions, toileting, departure from the service and conclusion of the excursion

If the excursion is a *regular excursion*, or '*regular outing*' a risk assessment authorisation is only required to be carried out once in a 12-month period, however, must be regularly reviewed. If circumstances around the excursion change, a new risk assessment is required.

Extra-Curricular Activities

Our OSHC Service will support children to participate in extra-curricular activities that may be organised within school grounds during OSHC operating hours. Communication between families and the school or the extra-curricular activity organisation (e.g., third party music teacher/provider) is paramount to the support provided to children to participate in the activity, Families are to make arrangements between the extra-curricular organisation/coordinator regarding attendance for their child. Examples of extra-curricular activities include music lessons, dance classes, team sports, drama classes or clubs. Families are required to complete the *Extra-Curricular Authorisation Form* and are responsible for informing the OSHC Service of any changes to attendance at extra-curricular activities.

Insurance

Management must review their insurance policy of the vehicle prior to the excursion/incursion to ensure liability is protected by the OSHC Service. A copy of the insurance policy should be kept within the service's vehicle at all times.
